Migration/DataSource/CollateralRegistration	Please omit records where: <ul style="list-style-type: none"> • Register Code is other than "V". These are interstate interests which will be migrated directly from other registers • The vehicle is stolen. PPSR will rely on NEVDIS for stolen vehicle information. However unregistered stolen vehicles, if technically unable to be provided throughNEVDIS, should be migrated. (The identification of stolen vehicles will depend on selected Client Numbers.) • The vehicle is written off, i.e. Interest Type = "9". PPSR will rely on NEVDIS for written-off vehicle information. • The interest has been discharged or has expired.
.../RegistrationID	ININCPP_Interest.[Client Number] + ININCPP_Interest.Reference
